Note: The assistant attorney that I had in my criminal trial, Andrew L. Farkas, Bar # 06319400, has had numerous reports received by the American Judiciary Institute of Attorney Oversight & Reporting for misconduct, if that's not enough, he was also, by "you guys", Texas State Bar, suspended & ineligible to practise in I believe 2017, because I was sent a copy of his work history conduct by the A.J.I.A.O.R. So you guys cannot tell me nothing. But I can back up what I tell you about these attorneys by hard cold fact and empirical knowledge.

Also, I suggest a re-file of this grievance has an option to email online due to cost restraints. I am a survivor of domestic violence and have been fortunate to receive help from Genesis Women's shelter to make copies. I am going through a divorce on my civil (divorce) case in Dallas County and the statements I told Mr Estrada when he was never my attorney (this I found out after being released from jail).

 - b. What were the names of the employees that you spoke with?
J. Ibarra and the ombudsman

- 12. How would you describe your treatment by whomever you talked with?
Dismissive, Ibarra stated her decision for dismissal was on statement made... I state State bar a jurat type entity or an investigative entity; from the BAR's website it sounds like an investigative organization, to which pro? Should not be required of the complaints.
- 13. Do you believe the grievance system is fair? YES NO
 - a. If you answered no, why do you think the system is unfair?
There is an unspoken fraternal order among attorney's and judges, much like a guild. Another corruption in the U.S. justice system. No attorney will sue another, in a career ending way. The BAR seem useless.

- 14. Do you have any suggestions for improving the grievance system?
Mandate responses from attorneys regardless of the complaint. Any complaint made should require an attorney's written response. The Texas Ethics Code should be changed to ALLOW attorney's to teach or instruct a non-attorney on how to file, write or perform legal processes. The ethics code is written to prevent laymen from not needing an attorney. This is sinful to racketeerly.

 - a. If you answered no, why do you think the system is unfair? Because for I, when indigent and incarcerated inmates complain about poor representation from state appointed lawyer's our complaints are casted away and ignor. due because a lot of us ~~esper~~ that are incarcerated aren't in front of a judge so we can't speak out.
- 14. Do you have any suggestions for improving the grievance system? If I suggest, my opinion wouldnt matter or just be swepted ~~under~~ under the rug!!!!

Response to Disciplinary System Questionnaire, Texas State Bar. Thomas V Taylor.- Peter B Schneider, Case number 201806539.

Responses listed in order of questions

1. No.
2. Yes, I was told that I could not appeal.
3. No.
4. An Evidentiary Panel.
5. I was never interviewed, contacted or asked to present my evidence. I was given no information as to how my complaint was evaluated, I had no opportunity to present authenticated proven facts. The allegations made by a person with a long criminal record were so gross and fantastical as to be obviously a concoction of lies made up, along with Schneider, to extort one million dollars from me, which, I can provide evidence, was stated that it had to be in cash and not to be detectable as coming from me. It is outrageous that these people who destroyed my career and that of eight other people should have the case summarily dismissed without explanation, surely the Texas Bar cannot endorse conduct from one of its members whereby they can openly blackmail a subject for one million dollars and hope to walk away with the cash.
6. 180-260 days.
7. Civil matter.
8. N/A.
9. N/A
10. Houston.
11. No.
12. No one ever spoke to me or contacted me.
13. No one interviewed me, spoke to me or provided any legal information as to why my complaint was summarily dismissed.
14. I feel that the complainant should be contacted or interviewed and provided with details as to why my grievance was dismissed.

Dear Madam / Sir

I'm writing this letter inquires to your Disciplinary System Questionnaire. Respond to #13 I fill that the decision was racial discriminate and unjust ("Just Like the White Police Officer Killing Unarmed Innocence Black Africa American People "And Walking Free") until the system change and hold law enforcement agent or Public Official accountable for thier or personal behavior, of professional misconduct private organization group like this one will continue to be useless to the public assistance. ("That included Judge, Appeal Court's") ^{the hold judicial} ~~and all the~~ justice systems we like by today ~~time~~

is by the old testament of the bible Deuteronomy
chapter 16 verse 18 thru 19. Judge or twist and corrupted
by bribe pervert justice, on good old bunny or monies
not righteous. Refer back to Martin Luther King's Sr. ("I Have
A Dream") speech delivered on August 28, 1963. The
speech reflected King's criticisms and hope for America
set in the language of the prophets ~~old the~~ of the
Old Testament; "he said satisfaction would not come
until justice rolls down like water and righteousness
like a mighty stream (Amos 5:24).

From God Himself .
